## What is the PTA and who can be a Member?

Our SPAT PTA is part of the national Parent/Teacher Association that strives to enhance children's educational experiences. Every year we have a membership drive at

<https://spatpta.memberhub.com/store/items/453469>. The membership drive for the 2021-22 school ends November 1<sup>st</sup>. Becoming a member does not mean you automatically sign up to volunteer (but we would love it if you did volunteer), it just means you support our group and believe in what we're doing. Many of you joined online or at the membership tables that were set up last week at the open house. Thank you for your support! **All parents and caregivers can join for only \$20!** The money helps support programs in our schools and as an additional benefit to becoming a member, you will receive the A to Z digital school directory. Please enroll or renew your membership for 2021-22 and help us achieve our membership goal!

## [Become a Volunteer...Why YOU should get involved!](#)

We are a busy group! We support student events, school book fairs, teacher conference luncheons and teacher appreciation week, sell spirit wear, provide teacher grants and more. This is where you can come in! We need your help, and so do your children.

**Please look at the PTA volunteer opportunities, indicate what events/activities interest you, and we'll contact you to discuss it further.**

Volunteering doesn't have to mean a huge time commitment. We understand it is increasingly more difficult to find time to give, but we need to have a lot of volunteers to contribute a little bit of their time to create a big impact on our school community.

On behalf of the SPAT PTA we would once again like to extend a warm welcome and best wishes for a successful school year! Please contact any of us with questions.
